fart into this music box!

we are so exited to reveal our latest collaboration with Rick and Morty: the PO-137, a limited edition pocket operator

the emmy™ award-winning producer justin roiland will step into the role of inventive mad scientist collaborating with teenage engineering. together, we created a limited-edition pocket operator (PO-137), a vocal synthesizer and sequencer with built-in microphone offering 8 different voice character sampling options, all voiced by roiland himself plus all new custom rick and morty visuals. other features of the PO-137 include animated LCD display, folding stand, 120-seconds sample memory, alarm clock and much more. the pocket operator will be available online in the beginning of july. and that's why we say, 'shumshumschilpiddydah!
