“10 years of OP-1” a celebration of the legendary portable wonder synthesizer.

teenage engineering is celebrating their first born synthesizer by launching a beat challenge and a brand new anniversary website, filled with content never before seen, and a new shop with everything OP-1.

the OP-1 portable synthesizer

as seen in museums, studios, magazines and in your favourite artists live set-ups, the OP-1 has been an instant classic since day one. teenage engineering has the OP-1 to thank for everything and has created an anniversary website, filled with exclusive OP-1 goodies. if you are a fan of the OP-1 you won't be disappointed.

anniversary website

on the website you will find unique, never seen before archive content from the 10 years of OP-1, a special anniversary store where you can get anniversary merch, posters, sweatshirts, mystery boxes, and much more.

launching OP-1 beat contest

2021 not only marks the ten year anniversary of OP-1. it's also the jubilee of the first ever teenage engineering beat contest, taking place in los angeles in 2011. ten years later, its time for another round.

the winners will be chosen by a jury of artist / producer Nosaj Thing and TĀLĀ, together with teenage engineering.

the OP-1 beat contest starts april 14th and runs until may 21th and is open for everyone around the globe. the winners will be announced may 28th.

new price

to celebrate even more, we have put a new price on the OP-1, \$1121 / €1121 / £1121 to celebrate the ten years between 2011-2021, or as we choose to call it: '1121.
